

Happy Easter to the families of NEV Normal from the principal and all of the staff.

1. The new term starts on Wednesday but of course school is not yet open so things will be different. I cannot confirm the term dates for the rest of 2020 as they may be changed by the Government as we move out of lockdown.
2. Teachers would have made contact with you all by now about what they will be doing to facilitate learning for their classes. If you have had no contact please email your classroom teacher or leave a message on the school answerphone. Please note that nothing in the distant learning process is compulsory and nothing we do should add stress to your bubble. Take it easy and make use of what the teachers and support staff provide in ways that help you deal with the lockdown. We are here to support the whole whanau.
3. I doubt that the lockdown will be lifted at the end of the four week period, and if it is, it will not be straight back to the previous normal. I suspect we might be doing things differently for a while so let's work together to get this right.
4. If you are struggling financially or in other ways please contact us - use the emails on the app. All correspondence will be treated confidentially. I am available at john@nevn.school.nz to assist.

John McKenzie
Principal
