

## **Alert Level 3 News**

The Government has determined school will re-open on Wednesday 29th April.

The only children allowed to attend are those from families which have no parent or caregiver at home during school hours during this lockdown level.

Children who are unwell or who have underlying health challenges will not be allowed to attend during this alert level.

The school will work through the issues facing us in respect of health and safety of students and staff in the next few days.

We will also seek confirmation in advance of the 29th of those who are eligible and intending to attend.

Children staying at home will continue to be supported using the technology already in use.

As always we wish you all the very best and continue to assure families of our support. More details will follow later in the week.
